*"A good school with outstanding leadership and management"* Ofsted, June 2014

# STARS OF THE WEEK

Class	Name	Reason	Mathematician of the week
R1	Lola M B	Lola has been working hard this week writing her amazing story for the 500 word competition. She is developing an amazing writing style. Keep up the amazing work.	Isra A R
R2	Anahi H	Anahi is a wonderful member of R2. She is polite, kind and thoughtful. Her work is always presented beautifully. Anahi has worked incredibly hard to complete her story using lots of fantastic vocabulary and description. Keep up the hard work.	Aidan H
R3	Safa I	Safa has shown great enthusiasm during English lessons this week and has worked really hard segmenting and blending cvc words. Safa is growing in confidence day by day and is beginning to make good relationships with others.	Faaz T O
1A	Lillian O	Lillian is a delight to teach! In English she is using her phonics to write wonderful sentences and taking care with her work. She makes friends easily because of her kind nature and makes time to look after others around her. Thank you for being you Lillian!	Bethany W
1Q	Husain Q	I just HAD to choose Al-Husain this week! He has become so much more independent in his work, is answering questions more in class and has become so much more confident when speaking to others too! He makes us all smile and is such a lovely member of the class!	Jesse G
1S	Rafia A N	Rafia has made huge progress over the past month in both her reading and maths work. She always tries her hardest and this is now paying off in her work. Well done Rafia, you are a superstar!	Adam K
2C	Robert T-M	Robert has worked so hard on his spellings and this week the hard work has paid off because he won our class spelling competition. Now hopefully, he will bring the trophy back for 2C.	Aun N
2G	Shaima A	I have chosen Shaima as 2G's star of the week this week for 2 reasons. First she is one of the most enthusiastic children I have ever met; every morning she comes to school with the biggest smile. Second, whenever she finds something difficult she perseveres. I am so proud of Shaima, well done!	Syeda M
2T	Taylor J H	Taylor is a super scientist! She always asks excellent questions and shows curiosity in the world around her. She always shares great ideas and explanations and we may have a future scientist in the making. Watch out world!	Lily C
3B	Asmeeta S	Asmeeta has only been with us a few weeks but has settled in straight away. She is bubbly, friendly and works very hard. Recently, she has created an amazing story about a tooth and learned how to do column method, all whilst still learning her way around Billesley. What a star! Keep up the hard work Asmeeta.	Amanraj G
3L	Paige W	Paige is an all round star! She is a real delight to have in class and always makes me smile. I am very proud of her because she has a mature attitude to her learning and is an excellent role model. Well done!	Mia S
3R	Mahammad Z	Zayan is always ready to learn and his behaviour in the classroom is exemplary. He approaches every challenge with a "can do" attitude, a smile on his face and clearly enjoys learning. Keep up the good work, Zayan!	Ana D
4C	Rohaam F	This week I have chosen Rohaan as my Star Of The Week for a pretty unusual reason - our conversations at home time! Every day I enjoy Rohaan telling me about all of the interesting, intelligent and funny things he has been doing at home... Writing songs, creating film trailers and reading yet another book. Remember this face Billesley, you're definitely looking at a future star.	George O
4G	Nabil D	Since coming back from the Christmas holidays, Nabil has amazed me with how much he has matured. He is now a sensible member of the class and is working extremely hard in English and Maths. He is a role model to the other children. You should be very proud of yourself, well done Nabil.	Saim S
4M	Meerab R	Meerab is growing in confidence and is beginning to shine like the star she is. She is very sensible, kind and helpful. She is trying hard to take a more active role in her learning and is responding positively to feedback, especially making improvements in her writing.	Riyaan A
5B	Megan B	Megan is one of the most organised and sensible girls that I have ever met. She is conscientious, hardworking and genuinely loves to learn. She is also such an amazing role model and it could definitely be argued that she keeps 5B and Miss Bennett organised. Megan I love teaching you and having you in my class. You are a star!	Brandon K
5L	Nysa S	Nysa is a kind, caring and hardworking member of 5L. She ALWAYS makes the right choices and is a great role model to others. This week Nysa has really impressed me with her great commitment towards her new role as Young Researcher and I'm looking forward to working with her more, as our project progresses.	Sharifunnisa S
5ZB	Thomas O	Tom is becoming a real star! This week he has really impressed us with his hard working attitude, responsible behaviour and wonderful manners. Tom is now always ready to learn and has recently started to consider his choices more carefully. Well done Tom, keep it up!	Jaiden S
6K	Maddison C	Maddison has always shown superb commitment to her learning and this is now showing in her assessments. She often asks for additional help to consolidate her understanding and then applies it independently. On top of all of this, she is a popular member of 6K, a brilliant friend and an amazing dancer. Well done Maddison!	Ky O
6W	Ali A	Do you want a heated, academic debate about politics, society or current events? Syed is the guy to call. This boy is so switched on to the current climate that he frequently enralls Miss Watson with topical discussions. Keep questioning things Syed!	Dante C
RB	Noah C	Noah has worked so hard at everything this week. He has really tried his best in all his lessons and produced some amazing work. He has also tried incredibly hard to speak to people and has made us smile many times by saying 'hello' and asking for what he would like. Great work Noah!!	Nathan O
